

# COMPANY PROFILE

[info@macroarea.in](mailto:info@macroarea.in)

# ABOUT COMPANY

For around a decade, Macroarea Systems has maintained an esteemed reputation in the industry of Security systems as a provider of security systems services.

We are located in Gujarat's one of the fastest growing cities - Ahmedabad.

Company established with in-house skilled, semi-skilled and unskilled manpower for power startup.

# INTRODUCTION

Macroarea Systems was established in the year 2014 with 1300 sq. ft. of workspace for the back office.

Today we have a troop of 2 sales/presales executive, 4 engineers and 15 Technicians/supervisors that shields our projects with technical assistance.

Each skilled manpower has been awarded certificates from different sector OEMs.

Our major areas of expertise are in the provision of CCTV, Fire Alarm Systems, Public Address Systems, Access Control Systems, Time and attn., Data Networking (Active and passive), Gas Suppression, Water Leak, Intrusion, Rodent Repellant systems, etc.

# VISION

We aim to provide end-to-end technology solutions to customers with world-class services so the customers can expand their business from technology advantages.

# MISSION

Our mission is to become a One Point Solution Partner for our clients with Correct Technical Support, Best Products, and Services.

- Best Technology
- Best pre and post support
